News & Announcements

Welcome Members !

Full Members

Moya Alfonso, MSPH, PhD
 Assistant Professor
 Georgia Southern University
 Jiann-Ping Hsu College of Public Health

Scott C. Carvajal, PhD MPH, MA
 Associate Professor
 University of Arizona

Tamara Dubowitz
 Associate Policy Researcher
 RAND Corporation

Laura Linnan
 Associate Professor and MPH Program Director
 University of North Carolina
 Gillings School, Dept of Global Public Health

Dan O'Hair
 Dean
 University of Kentucky
 College of Communications

Latrice Pichon, PhD, MS
 Assistant Professor
 University of Memphis

M. Renee Umstatt, PhD, CHES
 Assistant Professor of Health Education
 Baylor University
 Dept of Health and Human Performance

Norman Weatherby
 Professor
 Middle Tennessee State University

Affiliate members

Kimberly Firth
 Director, Senior Research Associate
 Samueli Institute

Idethia Harvey
 Assistant Professor
 University of Illinois-Urbana

Antonia Mead, MS, PhD
 Assistant Professor
 Johnson C Smith University

Wynne Norton
 Assistant Professor
 University of Alabama-Birmingham

Academy Updates

• We encourage you to submit information to the newsletter and keep your colleagues *in the know!* The newsletter will come out every three months. Please visit the website and submit your updates at your earliest convenience!
<http://aahb.org/Forms/MemberAccomplishments.html>

• A new feature that will be available in upcoming newsletters includes updates and information about the academy from Bradley Boekeloo, an academy member.

• Don't forget to register for the 2011 Annual Meeting in Hilton Head.

Funding News

Rodney Bowden. Co-Investigator. Individual differences and health outcomes: A secondary data analysis in cognitive epidemiology. National Institutes of Health (R03). Funded September, 2009-August 2011. (PI, Beaujean). \$136,500.00

Borawski, E., Cuttler, L., Moore, S. (Multiple PI) Targeting Obesity and Blood Pressure in Urban Youth National Heart, Lung and Blood Institute 8/14/2010 - 4/30/2017 Total (direct+indirect): \$12.6 million

Dye, C, Principle Investigator. **Williams, J.**, Co-Investigator; Aybar- Damali, B. Co-Investigator. Health Coaches for Hypertension Control. Health Resources and Services Administration (HRSA) 2009-2012. \$374,928 (Direct Costs- \$298,594, Indirect costs \$76,334). Funded. Award: DO4RH12726-01-00.

Jeanette H. Magnus, MD, PhD, Maternal and Child Health Long Term Training Program, The primary goal of this Public Health Training Program is "to improve the health status of women, infants, children, youth, and their families by developing MCH professionals exhibiting strong professionalism and cultural competency in public health leadership. The Maternal and Child Health Section at Tulane will work to achieve this overall goal through: 1) Provide MCH leadership and career development training for students, professionals, and faculty; 2) Integrate key principles of PH practice into teaching, research and service; 3) Conduct research and research training; 4) Strengthen partnerships with the community and MCH agencies, 06/01/10-05/30/15, \$1,725,000 HRSA Funded. Award: T76MC04927-05-00

Ory, M. Community Research Center for Senior Health (PI Alan Stevens). The goal of this three year NIA-funded project awarded to Scott and White HealthCare for merely \$1 million is to develop, implement, evaluate and disseminate evidence-based interventions that address multiple social and behavioral determinants of senior health. Center activities will address three specific aims :1) create a sustainable infrastructure that promotes an interdisciplinary and multi-contextual approach to Senior health intervention research; 2) develop community-academic health center relationships which foster community participation in research planning, study participation, and dissemination of findings; and 3) provide guidance and support to investigators and community leaders in research design, evaluation, and data analytic techniques that balance the need for rigorous science and the practical realities of conducting health research in community settings. Under the direction of Dr. Ory, Texas A&M Health Science Center will serve as the academic partner.

Seal, D (PI) received a 5-year R01 grant award from NIDA entitled "A Systemic Approach to Seek, Test, and Treat Strategies for Correctional Populations." (Total costs: \$3,742,996)

Seal, D Principle Investigator, **K Ward**, Co-Investigator received a 2-year R21 grant award from NIMH entitled "HIV Prevention Research and Infrastructure Development in Syria and Middle East" (Total costs: \$412,204
